Volunteer Policy

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of children. We welcome and encourage volunteers from the local community. A volunteer is an unpaid adult who provides support to our school.

Our volunteers include:

- Members of the governing body
- Parents of pupils
- Students on work experience
- Ex members of staff
- Local residents
- Church Members

The types of activities that volunteers are engaged in might include:

- Hearing children read
- Working with small groups of children
- Undertaking arts and craft activities with children
- Supporting teachers to run after school clubs
- Working with children on the computer
- Accompanying school visits

Becoming a volunteer

Anyone wishing to become a volunteer, either for a one off event or on a more regular basis should approach their child's class teacher or the head teacher. Volunteers should complete the Volunteer Information Sheet (Appendix 1) with their contact details, type of activities they would like to help with, and the times they are available to help. Before starting to help in school, volunteers should complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations of volunteers and asks volunteers to confirm they have received a copy of this policy.

Before starting in school and to ensure the safety of our pupils at all times, all volunteers will be required to complete a CRB (Criminal Records Bureau) check. Forms can be obtained from the school office. We are unable to have any volunteer in school unless they have been cleared by the Criminal Records Bureau and show their certificate in school. The number of this certificate will be recorded.

Confidentiality

Volunteers in school are bound by our Confidentiality Policy. All staff members, voluntary helpers and visitors should be aware that information relating to individual children or members of staff is totally confidential. Whilst in school volunteers may hear conversations

which are of a confidential nature. These cover aspects such as children's academic progress, misbehaviour, or home circumstances. All information relating to individual children and staff is totally confidential and volunteers must respect this. Any concerns that volunteers have about the children they work with/ come into contact with should be shared with the class teacher and NOT with the parents of the child or any persons outside school. These comments, particularly if taken out of context can cause distress to the parents of the child if not heard directly from the school. A situation may arise in school, where the duty to the child is greater than that to the parent. If a child discloses something, this information should be shared promptly with the child's teacher or head teacher.

Volunteers who are concerned about anything another adult in the school does or says should raise the matter with the Head teacher.

Supervision

All volunteers work under the supervision of the class teacher to which they are assigned. Although teachers retain responsibility for children at all times, this does not require volunteers to be in their direct supervision at all times. Volunteers should feel confident to carry out the task they have been assigned and should seek further advice/ guidance from the teacher in the event of a query or problem regarding a child's behaviour or understanding of a task.

Health and Safety

The school has a health and safety policy which is available on request. Class teachers should ensure that volunteers are clear about emergency procedures (e.g. fire evacuation) and about any safety aspects associated with a particular task (e.g. using cookery equipment). If a volunteer attends a school trip, their emergency contact details will be requested. Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the class teacher or head teacher.

Complaints Procedure

Any complaints made about a volunteer or by a volunteer will be referred to the head teacher for investigation.

The school has the right to take the following actions:

- Speak with the volunteer about a breach in the volunteer agreement
- Offer an alternative placement for a volunteer
- Inform the volunteer that they are no longer required to help in school

This policy will be reviewed annually or in the light of new guidance from either the DES or the Local Authority.

Please read and return this appendix, and sign and return the helper's slip. This is part of our school's risk assessment planning.

Role of the Volunteer Helper

- to be responsible and look after, in equal measure, all of the children in your group

- to contact your child's class teacher/member of staff immediately if there are issues with first aid, safety and/or behavior

Working alongside school staff

School staff expect volunteer helpers to:

- comply with all of the above whilst being under the direct line management of school staff
- show a commitment to their group, an interest in the focus of the visit and assist children in their learning by helping them to read signs/labels/information, asking questions that encourage children to think about the task and help to explain areas of interest
- follow guidance from the school staff

What is not permitted

- Volunteer helpers are not allowed to re-organise school visit groups.

First Aid

For each class on the school visit, there will be at least one qualified first aider. You will be informed if any child in your group has medication/needs. If medicine needs to be administered, this will be done by a member of staff. Under no circumstances will a volunteer be asked to administer medication of any kind. All other medicines and first aid box(es) will be carried by staff.

Emergencies

You are expected to inform a member of staff as soon as possible.

If you have become separated from the rest of the school party, please telephone one of the members of staff on your contact list or telephone the school.

I have read the Volunteer Policy
