Dear Parents & Pupils,

Here is newsletter number 28 for this academic year;

1.	Sats
2.	East Barnby
3.	School Garden
4.	Football coaching
5.	Thank you
6.	Consent
7.	Pilgrimage
8.	FOSS

1. Well done to the Year 6 children for their calm and mature approach to the Sats tests, I know you all worked really hard and tried your very best.

2. Could the parents of Year 6 children please ensure that they have now paid for the residential visit to East Barnby, the trip is on 23<sup>rd</sup> May and unfortunately without payment a place may not be secured for your child.

3. We would like to ask if there are any volunteers who are able to come into school and dig over the kitchen garden prior to it being planted-up with this season's crop of vegetables. Please let Mrs. Botham, Mrs. Craig or Mrs. Wheeler know if you are able to help.

4. If your child currently attends the afterschool football coaching run by York City Football Club and would like to continue next half term please let Mrs. Wheeler know and she will forward an enrolment form. If we do not hear from you before 25<sup>th</sup> May, we will assume your child no longer wishes to take part and places will be offered to other interested children.

5. A huge thank you from the school for all the hard work the ball committee put in to transforming the hall and putting on a fabulous party last Saturday, we are so grateful for the support and generosity that our school community gives.

6. A reminder to the parents of the children who are attending the Cluster 'Kwik Cricket' event next week; could we please have your consent form.

7. Thank you to the parents who attended last week's visit from the Archbishop of York. The children sang beautifully in the assembly we held and thought of some super questions to ask the Archbishop. Please see the school website for pictures of the visit and other recent activities around school.

### A message from FOSS

Many thanks to all the people who made the May Ball such a success last Saturday. Help came from all directions; without which it would have been much more complex an event to organise and run. So, please be assured that however you helped the ball, your efforts and contributions were gratefully received. The main conductors of the piece were Kate, Vicki and Helen who deserve particular thanks, but there were many other significant contributions too. Of course, all the hard work in preparation is nothing without people attending the ball, and attending it with an intent to enjoy themselves! Thank you for hitting the dance-floor with such enthusiasm, we've had some lovely feedback from the band, and the manner in which the Reception parents in particular hit the dance-floor with such commitment and energy can only bode well for the years ahead! The final receipts are still coming in as drinks are returned etc, but we already know we've made a very healthy sum of money for the school. So, well done and thank you everyone.
