- 1.** We are still waiting for consent forms from a number of families for the whole school trip which takes place on Thursday 1st July, could they please be returned as a matter of urgency.

- 2.** A reminder to all that the courier is coming to collect the photograph order next week, all proofs should be returned to the school office before Tuesday 21<sup>st</sup> June.

- 3.** Well done and thank you to all who dressed up, made and glued and baked as part of our Queen's 90<sup>th</sup> Birthday celebrations. Please see the school website for pictures of our day of celebrations.

4. This week all the children had a chance to explore the night sky and be inspired by the wonders of space in the comfort and familiar surroundings of the school hall! The COSMODOME is an inflatable planetarium that is manned by students and teachers from York University Physics Department- it was a fantastic experience for everyone. Please look at the school website for pictures of this.

5. On Monday 27<sup>th</sup> the Cluster Athletics will be taking place at Easingwold Secondary. If your child is on the team they will have brought home a letter, could you please return the consent slip as a matter of urgency. Parents are welcome to attend to support the team with the event starting at 4.15pm

6. On Tuesday we had the 'Rockit' Climbing wall in school. All children had the opportunity to challenge themselves and attempt to climb this 25 ft. wall, so they've all had their adrenaline fix for the term!. As well as the climbing there has also been the chance for budding 'Robin Hoods' to hone their talents as all children have also had the opportunity to try archery. This is an annual event which the children all love and is funded by FOSS.

7. A reminder that on Thursday 23<sup>rd</sup> June, it is Sports Day and parents are invited to join their children for a school lunch - a Teddy bears' picnic (all children should have brought home a form regarding booking a meal). If you would like to attend the meal and have not yet sent in your form could it please be returned to the school office on or before 21<sup>st</sup> June. If the weather is poor, sports day may have to be cancelled but the Teddy Bear's picnic will still go ahead.

All are invited to the Sports day and sporting activity should commence at approximately 1.30pm. If it rains and we have to cancel, we will try our very best to reschedule this event, but as you will all know this is an extremely hectic half-term.

## A MESSAGE FROM FOSS

Thank you to all who supported FOSS's non-uniform day today, by bringing in Tombola prizes. We have received a wonderful collection of items, of which the children seem very excited about.

The children will be coming home today with cups to be filled with things to be sold at the fayre and brought back for next week's non-uniform. If you need more than one cup, we'll be at the school gates at 3.30pm today handing out more, or Mrs Wheeler will also have some in her office should you need them next week.
