4th September 2018

Dear Parents and Carers,

As you return from the summer holidays, which I hope everyone has enjoyed to the fullest, I am writing to let you know that there have been some changes in the composition of the school's Governing Body. I have resigned from my post as Chair of Governors, safe in the knowledge that Professor Howard Hall has now been elected as chair. I am sure you will continue to support him and the Governing Body as they continue to focus on the education, achievement and welfare of all the children.

It has indeed been a privilege to work with the school community - I have been associated with the school for approximately five years and, latterly, as Chair of Governors since February. I thank you all for your support over recent times and pay tribute to the impact that you as parents and carers have through, for example, the support of your children, fundraising activities, and attendance at school events.

The staff at Sutton-on-the-Forest have been busy reorganising their classrooms over the summer - I know how dedicated and committed they are to ensuring your children receive the best education.

I wish everyone well for the forthcoming year.

With kind regards,

*Stephanie Windsor*
