

SUTTON-ON-THE-FOREST

CHURCH OF ENGLAND PRIMARY SCHOOL

18th December 2018

Dear Parents/Carers,

To reinforce skills that the children are learning at school, we now subscribe to a number of websites that can be accessed both at home and at school. I thought it would be useful to remind children and parents of the online subscriptions available for home use, as this now forms a large part of homework set, as detailed in a previous letter.

The website addresses are as below, and the children's individual login details for each site have been sent home via letters, or are in their home planner (if they have one). Please find details below of which years use which websites.

The Spelling Shed logins will be set up after Christmas, but children should be able to access the other websites now.

Please note that the children need to have a good break over the holiday period so there is no expectation from school for them to do any homework over Christmas unless they choose to.

MyMaths – www.mymaths.co.uk

If you have any queries or if we can help at all, please speak to your child's class teacher.

Yours sincerely,

Helen Pye
Headteacher
