Headteacher's Message

Here we are at the end of a very short but busy half term, and we are looking forward to the last half of the summer term. Our Year 6 children put on an excellent display at the Cluster Kwik Cricket tournament on Wednesday and worked really well as a team. The whole of KS2 enjoyed an Intra-house sport event on Thursday, which involved taking part in lots of events and culminated in a game of Danish Longball—everybody had a great time.

We say a sad goodbye to Grace A today and wish her well at her new school. We will miss her smiley face in school, but we know she will keep in touch.

Next term we will be welcoming our 11 new starters into school for three transition afternoons, and our current children will also be enjoying some transition sessions during the half term in readiness for September. Details regarding staffing of classes for September will be sent out after half-term.

I had a lovely email from Year 6 Henry H's Scout leader telling me about a Scout orienteering event called 'Teko Teko' that Henry took part in. Here is an extract from that email - we are very proud of you, Henry!

"Teko Teko is the scouting equivalent of the Duke of Edinburgh Silver award, one which children would be eligible to attempt when they are 15 years old. Awesome by anyone's standards, so imagine how incredible an achievement it is at such a young age. Henry has worked very hard in preparation for this challenge and has grown so much in self-belief, confidence and in the development of new skills. This is the first time Moxby Moor have entered this competition and we are incredibly proud of all our Scouts for taking part in this challenge. Henry deserves huge congratulations and should be buzzing from his achievement. It was fantastic to see the teamwork, observe their care for each other and the application of their Scouting skills. This will, without doubt, be the greatest challenge he will face whilst a Scout."

Today we have all enjoyed a fantastic picnic lunch and play on our beautiful school field in the glorious sunshine, which has been a lovely way to end the half term. Thank you to Mrs Hodgson and Mrs Wagstaff!

Have a fabulous half term—fingers crossed for some more sun!

Huby & Sutton Show entries for 5th June

Each class at school will be submitting entries in the children's category at the Huby and Sutton Show this year. If you wish to submit an entry from home, details can be found on the show website: <https://www.hubyandsuttonshow.org.uk/exhibitors.php>. Just a reminder that the deadline for entries is **5th June**.

FOSS meeting, Thursday 6th June

The next FOSS meeting will be held on Thursday 6th June at 7pm (location to be confirmed). All are welcome to attend, and we welcome all support for the fantastic fundraising that FOSS carry out for school, which enables all the children to have fantastic experiences and resources that we otherwise wouldn't be able to provide.

Treetops Corner

The sunshine has meant lots of outside play—on the field, and in the woods and village park. The children have enjoyed creating papier-mâché planets and splatter-paint galaxies - lots of mess and lots of fun!

Our mud kitchen continues to spark the children's creativity, with lots of culinary creations being produced. The children are able to follow their own interests and research their own play and craft on the Treetops iPad, and are also making good use of our new Suggestions Box.

We are running our summer holiday club from 29th July to 9th August this summer. The club is open to all children, not just children who attend our regular before-/after-school club, so please spread the word. Please contact Helen Morris on 07882 677625 or not999@aol.com for bookings or enquiries.
