Go further than we thought,
run faster than we hoped,
reach higher than we dreamed,
to become the people God meant us to be.....

Principles

At Sutton on the Forest Primary School:

- We ensure that teaching and learning opportunities meet the needs of all our pupils.
- We recognise that there are many benefits to ensuring that all children participate in sports or other physical activities:

 - ✓ Supports the establishment of healthy lifestyles for life
 - ✓ Helps in weight control, especially important in light of current levels of childhood obesity.
 - ✓ Develops social skills especially team work
 - ✓ Develops friendships
 - ✓ It is fun!
- Our intention is to use additional funding in three ways:
 - ✓ to broaden our provision to offer a wider remit of activities;
 - ✓ to train staff so that the provision becomes sustainable into the future;
 - ✓ to consolidate existing provision.
