

Sutton Standard

Friday 3rd November

Happy Birthday!

Celebrating a birthday this week are:

30th October - William M.

2nd November - Thomas M.

Each week, class teachers select a child from every year group as Pupil of the Week. A Pupil of the Week has to - Try hard and do their best, be kind and thoughtful, be helpful, show respect, be polite, consider others, follow the school and classroom rules, and be a good friend.

Reception - Henry R.

Year 1 - Scarlett

Year 2 - Sebastian

Year 3 - Thomas M.

Year 4 - Neve

Year 5 - Lola

Year 6 - Leona

Team Points

All children within school have been allocated a different team (Yellow, Red, Blue or Purple). A weekly total will be calculated for each team and announced in Friday's Collective Worship. In addition, the winning team will also appear in the Standard. At the end of each half term, the team with the most points will be awarded with extra playtime!

This week's winners are: **Blue**

Open Morning

On Thursday 23rd November we will be holding an Open Morning in school. This event will be publicised in the Easingwold Advertiser (next week); however, it would be wonderful if you could also spread the word.

Scholastic Book Fair

We will be hosting a book fair in the school hall on Thursday 23rd and Monday 27th November. You will be able to purchase the various books that are on sale from 3.30 to 4pm.

FOSS Meeting

Despite the low number of parents/carers in attendance, we had a really positive meeting on Wednesday evening.

Please look on the website to access the short presentation I gave, which explains the essential role FOSS plays.

Switch Off Fortnight

Following an Environmental Review carried out by our Eco Council (made up of children from Years 1-6), the children have chosen to participate in Switch Off Fortnight this year in order to improve habits in the school and at home with regard to saving energy.

Over the course of the two weeks, our Eco Councillors will be educating their teachers and classmates about the importance of switching off lights and electrical appliances when they are not being used and will be encouraging everyone to try this at home!

Please visit the website for further information:
