

Go further than we thought!

Run faster than we hoped!

Reach higher than we dreamed!

To become the people God meant us to be.

Headteacher's Message

I'd like to start by saying massive congratulations to our Y3/4 cricket team, who progressed to the Summer Smash Finals at Dunnington Cricket Club on Thursday. Below is a match report written by Mrs Morris:

"Our team of cricketers consisted of Oliver, Phoenix, Cayden, Pretoria, Henry Hi., Nell, William G., Billy, Joshua and Jacob. They played four matches against Pannal, Robert Wilkinson, St Joseph's (Cleveland) and Acklam Whinn. The team won their first two matches very convincingly. They put up a good performance during the third match but lost narrowly against very good opposition. They did not let this get them down and worked hard and determinedly to achieve a draw in the fourth match! Unfortunately, they were just a few runs short to enable them to go through to the final - it was very close. There were some excellent performances and we were very proud of our team who supported each other throughout the tournament. Thank you Mr Horner and Mr Pointon for giving up your valuable time to coach our team and support and encourage them on the day. Most importantly, thank you to the team who did us proud!"

Year 4/5 had a brilliant morning with Mr Lees from Vital IT, learning more about using the Chromebooks effectively in lessons. Throughout school, the children are really enjoying using this new technology and are becoming very competent users; whether it be to edit and improve their writing, work collaboratively on a presentation, or read their online books.

Year 2/3 had a great day out at the Arboretum on Monday, and were a real credit to school. The children have written recounts about their day out and I have enjoyed reading all about their adventures!

Reception and Year 1 had a lovely afternoon on Wednesday celebrating Miss Balch's birthday. They had a little party in the outdoor classroom and enjoyed some country dancing.

It was lovely to see all of the children enjoying the climbing wall and archery on Wednesday. The children demonstrated some great skills in both activities and it was lovely to hear them encouraging each other.

The plans for the Summer Gala are well underway and it looks like it is going to be a super event, raising much-needed funds for school. FOSS would be very grateful for more help on the day, if only for an hour, to man different stalls. Please let myself or Caroline Dawkins know if you can help. Many thanks in anticipation.
