### **Headteacher's Message**

What a busy week we have had this week in school, with lots of learning and fun being had in all classes.

Class 1 impressed me with their brilliant Maths skills, with all of the children involved in a carousel of activities focusing on gaining a good sense of number. Reception were counting farm animals and matching numbers, Year 1 used Numicon to make 2-digit numbers, and Year 2 were introduced to Base-10 equipment to support their learning of place value. The learning atmosphere in the classroom was super!

Class 3 have had a busy week, which started with them learning about equivalent fractions and working out problems based around this area of Maths. They are enjoying reading their whole class book, 'Kensuke's Kingdom' by Michael Morpurgo, and Mrs Comito was really pleased with their presentations, which involved putting forward a persuasive argument about the main character going on an adventure around the world.

Class 2 have settled well into the new term and have demonstrated some excellent skills using Google maps on the Chromebooks to link with their Geography topic, Awesome Australia. It was lovely to look out of my window on Wednesday and see them enjoying a hockey lesson with some excellent skills being developed.

In Collective Worship, we have been focusing on the core value 'Friendship', where we have explored the relationship between Woody and Buzz in Toy Story, made giant friendship bracelets, and sung 'You can count on me' by Bruno Mars. The children are enjoying this time to gather, share and reflect together, and it reinforces our school motto, "Small school, big heart, aiming higher together".

I was so proud of all the children who completed the Easingwold Library Reading Challenge over the summer holidays—a third of our children! Angela from Easingwold Library came to school on Tuesday to present the children with their certificates in assembly. Well done for lots of good reading!

The deadline to submit final numbers for Young Voices is upon us, so if your child is interested in taking part, can you please hand in the forms and make any payments on ParentPay.

I am excited to tell you that we have booked tickets to see Cinderella at the Grand Opera House in York on Wednesday 19th December. This will really get us in the Christmas mood! More details will follow nearer the time.

On Saturday 6th October, we will be holding another 'tidy up' day in school. If you can spare an hour or two, please let us know in the office.

Finally, we said goodbye to Harrison, Clayton and Eden on Monday. We wish them good luck at their new school.

## Superstars

### Headteacher Award

Toby Tr., for his positive behaviour all week

### Stars of the Week

**Reception**—Eva, for super work with her autumn collage

**Year 1**—Madeleine H., for working with determination and trying her best

### Attendance

**Highest average attendance** - Year 1, Year 2, Year 4 (all 100%)

**Whole school average** - 98.3%

**National attendance average** - 96%

## Other news

### Young Voices (Years 3-6), 8th January 2019

The deadline for choir numbers and audience tickets for Young Voices 2019 is upon us, so if your child would like to take part can you please hand in the T-shirt and ticket order forms to the school office and make any payments on ParentPay. Once we have entered the final choir numbers next week, we will not be able to change this. Tickets always sell out fast, and any audience tickets purchased at a later date, not through school, will not be allocated in the same seating area as the rest of our audience tickets.

### Year 4/5/6 Outwood Academy Easingwold and Malton School Open Evenings

We have been advised of the following secondary school open evenings taking place this month. Please contact the schools directly for any further information.

**Outwood Academy Easingwold**—Tuesday 25th September, 5:45-8pm—Years 4, 5, 6 welcome

**Malton School**—Thursday 27th September, 6-9pm—Years 5, 6 welcome

### Cluster Sports

The Easingwold area primary schools' "Cluster Sports" will begin again this month, with a varied programme of tournaments and events throughout the academic year, including football, netball, TAG rugby, cross country, quick sticks hockey, and kwik cricket, amongst others. Whilst the majority of events are for Key Stage 2 children (Years 3-6), there will also be one or two events for Key Stage 1 (Years 1 and 2) and Reception children. This is a great opportunity for the children to get active, meet new friends, and represent their school. Please note that many of the events specify exact team sizes, so there may be times when we need to draw names out of a hat if there is a lot of interest in a particular tournament. We will try to ensure as fair a balance of participation as possible over the school year so that all have a chance to take part.

### Internet Home-School Agreement

If you have not already returned your child's Internet Home-School Agreement to school, please could you do so as soon as possible.

## **Forthcoming Events - Autumn Term**
