Headteacher's Message

We are at the end of the term and everyone is looking forward to a very festive time with family and friends. Just a few things to say: firstly, enormous thanks to all of you for your support this term—it really feels like Sutton School is growing and becoming the best it can be. I met with the school's support adviser from the Diocese on Wednesday and she was really impressed with how the school is developing and the positive atmosphere around school.

A huge thanks to FOSS for their fundraising efforts this term. They have raised an eye-watering £1635.66 since September, which is nothing short of incredible. Some of this money will be spent on outdoor learning resources for our younger children, learning resources for children in Classes 2 and 3 such as Maths equipment, as well as continuing to support and develop our IT equipment.

We end today with a festive sing-along, after what has been a lovely week in school full of talent shows, KS2 performances, and a whole school panto trip. The children and staff have worked very hard this term and it is good to end the term in such a positive way.

Wishing you all a very Merry Christmas and let us look forward to a brilliant 2019!

A message from FOSS

FOSS would like to thank everyone for their fantastic fundraising efforts. We have managed to raise a staggering **£1,635.66** during the autumn term! Events such as the disco and wreath-making night were a huge success, and the raffle alone raised almost £600. Bag2School and the Christmas cards also helped us reach this total.

We already have a **Gin and Prosecco Night** organised for Friday 8th February. Plans are coming along nicely and Cooper King Distillery in Sutton have kindly agreed to help coordinate the event. Wishing you all a Merry Christmas and a Happy New Year!
