Headteacher's Message

I would like to begin by congratulating Class 1 on a fantastic end of year assembly last Friday—the singing, dancing and reading was brilliant. It is wonderful to see three age groups working together so well as a team and sharing all the fabulous learning you have been involved in this year. Well done all of Class 1—including your brilliant teachers!

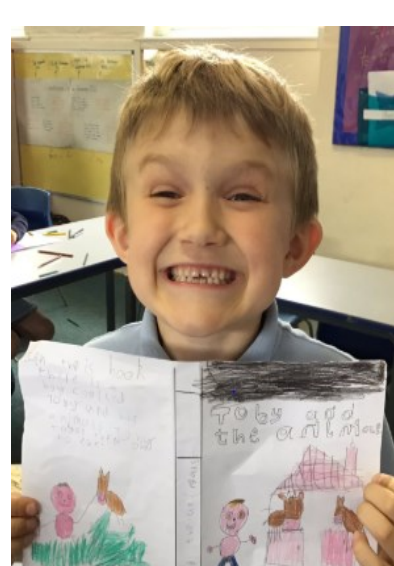

It has been another lovely but busy week in school that has seen: children rehearsing for the summer play, preparations for the Summer Gala, Year 6 children on transition days to their new secondary schools, Cluster school sports, and, finally, welcoming our new starters again on Tuesday. The final weeks of the academic year are certainly whizzing past!

A huge well done to all of the children who took part in the Cluster Sports evening event on Tuesday evening—there were some great performances and it was lovely to hear all of the children cheering each other on. Year 6 look forward to their Cluster Mini Olympics next Friday at Outwood, and that will complete our very busy sporting schedule for this year.

Preparations for the Summer Gala are coming along nicely and there is a lot of hard work going on behind the scenes by members of FOSS. The day looks fantastic, with a giant inflatable helter skelter, wet zone, barbecue, drinks, entertainment, and much more. Please tell your family and friends to come along and join in the fun—all profits are ploughed back into school to benefit your children.

Next Monday, children from Malton School will be performing *Matilda* at school for our children—this will be a lovely start to our week. On Wednesday, we will be welcoming Pre-School, Patchwork and families to our first performance of 'Pirates of the Curry Bean' - you are certainly in for a treat! Please try to ensure that your child returns for the evening performances—they have worked so hard to put together this fantastic production.

I look forward to seeing lots of you on Sunday at the Gala!
