Headteacher's Message

It has been a strange week for me, being absent from school for most of it due to illness. I'd like to thank the whole staff for keeping school running smoothly - it is a privilege to be part of such a strong, supportive team. A well-earned weekend for all of them!

I have been keeping up to date with what has been happening in all of the classes while I have been away, and there has been some super learning happening.

Reception keep amazing us with their fantastic work; this week has seen them building boats, making farms, and enjoying their reading. I popped into Class 2 and they were using excellent reading skills to delve into an extract of text from 'The Witches' by Roald Dahl, as well as writing and illustrating fairy tales.

Year 1 and 2 have been busy building cork boats in Science this week, to experiment with different shapes and types to see which will float best. As part of their Oceans topic, they have been writing letters to Mrs Fineran's friend, Anna, who rescues turtles at a turtle sanctuary in Sri Lanka.

Class 3 have been revising volume in Maths, and have also been having great fun preparing prequels for superhero stories which they'll be writing in class next week. The class have finished the week with an energetic CrossFit session in PE jointly with Class 2 - lots of fun all-round!

Next Tuesday is Safer Internet Day. We will begin the day with two different assemblies, for KS1 and KS2, looking at internet safety, which will be aimed specifically at their age groups. The children will then complete a range of activities back in class about how to keep themselves safe online. Please follow this link if you would like any additional information about how you can support your child in staying safe online: <https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2020/i-am-parent-or-carer>

At Sutton, we pride ourselves on being an inclusive school, with staff, children and parents who are accepting of all individuals. To embed these values further, we will be holding an 'Equality and Diversity Day' on Friday 28th February, which will focus on: developing understanding that we are all unique; recognising individual differences; and embracing and celebrating the rich dimensions of diversity contained within us all. If you would like to be involved in the day by running a workshop, or have any ideas for the day, please contact the school office.

Finally, I have had some parental concerns about the way that some children are riding their scooters and bikes on the school driveway and playground. Could I please ask that children dismount when they reach the bottom of the school drive and walk their vehicles to the cycle shed. Thank you for your support with this.

Wishing you all a lovely weekend.

Diary Dates - Spring Term

* New items/changes in red *

- 11th February - Tempest class photos, **Safer Internet Day**
13th February - Year 2 Cluster Sports Multi-Skills, Y5/6 team Cluster Sportshall Athletics Final
