Headteacher's Message

What a fantastic week we have had in school. I am immensely proud that we have had so many of our children safely back in school this week. To see their smiley faces and hear their happy voices has been so uplifting! We send lots of love to our children who are still at home and we cannot wait to see them all soon.

Again, I must thank our amazing staff team who have worked tirelessly to ensure that children in all of our year groups have been able to return, forming five bubbles that have their own safe spaces inside and outside. Mrs Hodgson has been cooking up a storm for everyone, and I'd also like to thank our volunteers who have helped to cover lunch duties and ensure that this part of the day runs smoothly. We are so grateful for the amount of space we have in school that has made this wider re-opening possible.

In more good news, I am pleased to let you know that, due to an increased demand for places in Reception this year as well as in other year groups, this has necessitated having a fourth class for the coming academic year 2020-2021. Governors have approved employing a four-class structure in order to ensure that pupils get the best possible educational experience. We will begin the staff recruitment process next week and we will of course update you when we have more news.

Next Friday, we will be welcoming our new Reception children and their families to a socially-distanced coffee morning. This will be a lovely opportunity for our new parents to meet each other and the class teacher.

I will leave you with some lovely photos from the week.

Have a lovely, sunny weekend!
