Headteacher's Message

Hello at the end of a busy but lovely week at Sutton. As I said last week, we welcomed our new starters and their parents to a socially-distanced coffee morning on the Friday, which was absolutely lovely. Since then, I am delighted to let you know that we have welcomed another new family into our Reception class for September. The Sutton family is certainly growing and flourishing!

The 'Bubbles' have had a fantastic week with some becoming weather reporters, others baking, some children completing art projects and then finishing their week with a treat. One of the most heart-warming parts of the children's return has been seeing them play and work with those they would not normally choose to do so with. There are some really solid, new friendships forming.

You will all be aware of the latest government announcements about all children returning to school in September in bubbles of 30. I feel we are a step ahead of the game with this, having the majority of the school back already and the children being in good routines of maintaining hygiene and staggering lunches etc. I will update you with plans as we develop them over the next few weeks, and though September will still be a little strange, at least we will all be back together and embracing a new normal.

This week has been very exciting, as we have been recruiting for two new teaching assistants and a teacher. I am pleased to let you know that we have successfully appointed two fantastic teaching assistants for Y2/3 and Y5/6 - I will let you know more details once the formal bits are completed! Today we will be interviewing for our new Year 4 teacher and I think I am more nervous than the candidates. As a staff, we are very excited to see who will become the newest member of the Sutton team, and again, I will communicate the good news as soon as possible.

Wishing you a lovely weekend!
