### **Headteacher's Message**

Here we are at the end of a very soggy week in school, and only one week left of this academic year. I will be in touch next week with firm plans for the return to school in September - please be reassured that I am hopeful that we will be operating as normally as is possible in line with the current government guidelines.

We have a lovely timetable planned for our final week in school, with a mini Sports Day in our bubbles on Tuesday and a socially-distanced Talent Show on Wednesday. We are also welcoming all of our new starters from all year groups into school for an outside picnic lunch on Wednesday - again adhering to safety guidelines.

As you know, we have three new team members joining us in September. I will leave them to finish the newsletter for this week. Have a lovely weekend.

Hello, my name is William Dodd, and I'm delighted to say I will be teaching Year 4 from September. For the past year, I have been teaching a Year 4 class at a school in Wetherby. I enjoy visiting new places and learning the history about these sites, as can be seen in the picture taken last year. I have worked in other small schools as well as attending a village primary school myself. See you in September!

Hi, I'm Bethan Alexander and I'm very, very excited to be joining this amazing school in the autumn term. I've heard that the school is full of friendly and happy children, I can't wait to meet you all! Here is a photo of me and my family - we love doing lots of fun things that make us happy. I look forward to hearing all about the fun things you get up to over the summer holidays! Enjoy, and I'll see you in September!

Hello, everyone! My name is Alice Inman and I'm going to be a Teaching Assistant at your school in September. Here is a picture of me with my husband Joe and my two daughters: Lucy, who is 13, and Sophie, who is 10. We love to go walking and we enjoy spending time at our caravan in Whitby. I can't wait to meet you all and be part of your friendly school community.
