### **Headteacher's Message**

Wow, here we are at the end of the strangest academic year. As I said in my email yesterday, I am so pleased that we have managed to welcome most of the school back into school for the last month of term. New friendships have been formed and lots of fun activities have been completed, and now we are ready for the long summer break.

This week we have enjoyed a mini sports day and a talent show, whilst remaining in our bubbles. Our younger children amazed us with gymnastics, singing and magic, whilst our older ones danced, read poetry and broke Guinness World records!

Today we have said good bye to Tiffany and Callum, and we wish them well at their new schools. In September we look forward to welcoming our new starters in Reception, as well as Samson, Ollie, Nathan, Calum, Elsie and Ellie into other year groups, and of course our three new staff members.

We have also said goodbye to our fantastic Year 6 children today. I am so sorry that their final few months have not involved a leavers assembly, school play and, of course, our planned trip to Edinburgh. I am thankful, though, that they have been together and enjoyed playing outside, climbed trees, baked, learnt how to sew, had a WW1 week, and much more. As they move on to secondary school, we wish them lots of love and luck for the future. Mrs Comito has put together a video of photos documenting their time at Sutton. Well done, Year 6 - we are so proud of you all!

It just leaves me to wish you all well for the summer break and we will see you all, safe and well, in September!
