

This document sets out a summary of the provision in our school for SEN Support. Please note that this map is designed to reflect the needs of children currently in our setting and will be adjusted and amended to meet the changing needs of children as they develop and/ or new joiners to our school as needed.

The provision is split into 3 Waves as follows:

Wave 1 – This is provision that is available to all children in the school and forms part of our Quality First Teaching approach which provides high quality teaching to all children adapted to their individual learning styles, prior learning and educational need.

Wave 2 – This is provision that is provided in addition to Wave 1 provision. This is available to children who may have been identified as having Special Educational Needs (SEN) or be given as a booster to children (not on SEN register) as needed based on needs identified through teacher assessment.

Wave 3 – This is targeted and personalised teaching for children with SEN who are identified as requiring additional support. This will be put into place for children who require further targeted or personalised support.

Sutton-on-the-Forest School – Whole School Provision Map

Area of Difficulty	Wave 1 <i>All pupils (where appropriate)</i>	Wave 2	Wave 3
Cognition and Learning	<p>High expectations of children and appropriate challenge for all</p> <p>Clear learning objectives and differentiated outcomes, clear instructions</p> <p>Clear feedback and next steps in their learning – children involved in the process and given time to respond</p> <p>Behaviour for Learning at the heart of lessons/school ethos</p> <p>Learning walls to support key learning points</p> <p>Time to talk things through with a Talk Partner before feeding back to class.
