"The quality of the ingredients used has immediately gained positive feedback from the children and adults... The children feel as though they have an input into their meals again... something that has been missing for a long time."

- Headteacher

Our meals adhere to the Government's mandatory school food standards, which ensure children get the energy and nutrition they need across the whole school day.

Please be aware that we are unable to guarantee a completely food allergen-free environment, as foods containing allergens are used in the kitchen. For more information and to view our allergen matrix please visit: northyorks.gov.uk/education-and-learning/school-meals or scan the QR code.
